### **Rules:**

This event will be run under the Marathon Racing rules as per the 2017 Canoe Marathon Handbook, Section F Marathon Racing - <http://canoeracing.org.uk/marathon/index.php/handbook>

### **Safety:**

Pangbourne Canoe Club and its nominated officials cannot be held responsible for any loss of life, limb or equipment however caused. Canoeing and Kayaking are 'assumed risk' – 'water contact sports' that may carry attendant risks. Participants should be aware of and accept these risks and be responsible for their own action and involvement.

**The penalty for infringing any safety rule is disqualification from the race.(rule 5.c.ii.)**

### **BOAT BUOYANCY (see Rule 5.a.i)**

“Competitors must render their boats sufficiently buoyant to remain afloat and to support the crew in the event of capsiz. Buoyancy must be fixed in the boat reasonably sufficiently [...] inherent buoyancy provided by ‘Vac-bag’ or ‘sandwich’ construction is not alone sufficient and must be supplemented by adequate fixed additional flotation material or by the provision of sealed bulkheads.”

### **BOAT CHECK**

**All boats will be checked by marshals prior to being allowed onto the water.**

**Any boat that is clearly not compliant with the above rule will be refused entry onto the water. Any unchecked boat on the start line will be immediately disqualified.**

To avoid congestion alongside the river where embarkation and disembarkation occurs, we will be asking all boats to stay in the car parking area until your allocated time to go through boat check. There will be timed periods depending on your race start when you can present your boat for boat check!

<b>Saturday</b>	<b>Starts A and B from 7:45am</b>	<b>Start C from 09:50</b>	<b>Start D from 11:45</b>
<b>Sunday</b>	<b>Starts E and F from 7:45am</b>	<b>Start G from 09:50</b>	<b>Start H from 11:45</b>

### **BUOYANCY AIDS**

These are compulsory for all paddlers ranked in Division 7, 8 and 9, irrespective of the class entered. This applies across age categories and in singles and doubles. Team Leaders should decide if other paddlers in their team should wear them. All competitors in under 10 and under 12 races must wear buoyancy aids.

All buoyancy aids must comply with either the European standard “EN393 or 395” or the International standard “ISO 12402”.

**Pangbourne Canoe Club race organisers may require buoyancy aids and spray decks to be worn and will have the final say as to who should wear them depending on the weather and water conditions (except where this is covered by Rule 5.a.v.)**

## Racing:

- **Club Colours**  
Paddlers must race in their club colours to be eligible for points and trophies.
- **Paddlers should check that their class is quorate - 5 or more boats starting**  
In the event of a non-quorate class (less than 5 boats starting), paddlers will be transferred to the most appropriate class which may be at another time or day. **It is the paddler's responsibility to check this.** The paddler is then deemed to be racing in the new class. Medals for non-quorate classes are not awarded.
- **Disposable drink systems & littering- This is the paddler's responsibility**  
All paddlers using disposable drink systems are required to mark ALL to be used during the race with their boat number. They will not be able to go through boat control without doing this, anyone refusing to do this will not be allowed to race and paddlers found with un-numbered bags during the race will be asked to leave the course.  
  
Any items discarded during the race must be recovered by the paddler, support crew or coach immediately. Any systems found or witnessed as being left, other than in a proper bin will be reported and this will lead to disqualification. The same applies to littering.  
Repeat infringements will be the subject of disciplinary proceedings by the MRC.
- **Boat Numbers**  
Team leaders will be given a pack of pre-numbered vertical number plates for all boats. **Paddlers must use these number plates.** Number plates must be exchanged for refreshments by competitors or returned to Race Booking-In by the team leaders.
- **Portage**  
The portage area will be clearly marked. It is a natural bank/beach exit and re-entry.
- **River Licence**  
It is the responsibility of the paddler to ensure that their boat is licensed for the River Thames. This is not covered by the purchase of a BC Event Ticket.
